## GO 8 mm

---

The GO 8 mm quick link can be used to connect a TIPTOP top anchor carabiner or replace the quick link on DJINN STEEL AXESS quickdraws. Its 8 mm diameter and galvanized steel frame provide excellent durability. It is compatible with the K-LINK positioning accessory that promotes loading of the quick link on the major axis and limits the risk of rotation.

---

**Short Description** Quick link with wide opening for climbing gyms

---

**Selling Points**

- May be used for permanent connection of a TIPTOP top anchor carabiner or to replace the quick link on DJINN STEEL AXESS quickdraws
